

LED Push Lens Switch Courtesy Light

Features

- Available with 3 or 9 LEDs
- 3 LED version is watertight and suitable for exterior use
- 3 LED color options: 3000K, 6000K, & Blue
- Simple push lens ON/OFF operation
- Prismatic lens for soft pleasing glow
- Easy screw installation with hidden fasteners
- Perfect solution for many marine & RV applications where a discrete switch is required on the light fixture
- LED technology fosters long life while reducing energy consumption
- 50,000 hour estimated life

Product Details

Bezel Finish	Black, White, or 304 Grade Stainless Steel
Housing/Lens	PMMA Plastic
Recessed Depth	1"
Cutout Diameter	2.125"
LED Color Options	3000K, 6000K, Blue
Total Wattage	3 LED: 0.7 W 9 LED: 2.1 W
Voltage	11-14V DC
Current [@ 12V DC]	3 LED: 0.05A 9 LED: 0.15A BL=.023
Lumen Output	3 LED: 43LM 9 LED: 114LM
CRI	80
Integral Switch	Push Lens Tactile Switch
