Installation Instructions:

FOR USE WITHOUT BEZEL:

- Step 1: Drill 0.375" hole in mounting surface
- Step 2: Attach wires to the power source. Red is positive and black is neutral
- Step 3: Slide light off grommet, install rubber into 0.375" hole, and then slide light back into rubber grommet.

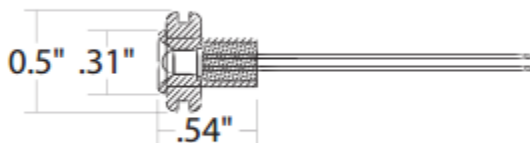

FOR USE WITH BEZEL:

- Step 1: Take off rubber grommet and throw away
- Step 2: Drill 0.4375" hole in mounting surface
- Step 3: Attach wires to the power source. Red is positive and black is neutral
- Step 4: Slide bezel with light into mounting surface

**The brushed nickel bezel can be used in interior applications only.

**LEDs are polarity sensitive and will not light if not attached properly.
